- \* Moisture Barrier Performance Without a Film
  - Protects Your Flooring from Moisture Related Problems Such as Cupping and Swelling

**\* Superior Sound Suppression STC & IIC 67 \***

**\* Quick & Easy Installation - Great for DIY \***

## Warranty

NoiseBlock is warranted to the original purchaser for the entire warranted life of the wood or laminate flooring under which NoiseBlock is installed. NoiseBlock warrants full replacement costs of professionally installed flooring to the original purchaser, where it was determined that Noise Block was solely responsible for product failure. In no event shall TRADEMARK be liable or in any manner responsible for any claim, loss or damage arising from the purchase, use, repair, replacement, or inability to use its products for any form of special, indirect, incidental, or consequential damages, including, without limitation, lost profits, emotional, multiple, punitive or exemplary damages. This warranty does not apply to the following:

- Failure of NoiseBlock installation sites meeting IIC lab test ratings. (So called "FIIC" tests are site specific and rarely meet Lab conditions owing to variations in site installation and construction)
- Failure to install flooring according to manufacturers instructions
- Failure to install NoiseBlock according to instructions
- Accidents, misuse or abuse
- Exposure to extreme heat
- Exposure to excessive weight
